

Price List
March 2011

Major Advantages

Engraved Logos and Insignias

- Logos and insignias make an important statement of identity
- Promotes a team environment

Modularity

- Interchangeable modules
- Customize for personal use

Freestanding and Flexible

- Freestanding system has seamlessly expandability
- Freestanding system is re-configurable
- Matching accessories available
- Design for use as: Stand alone, L-shapes, T-shapes, U-shapes, Clusters and Pods
- Both low-profile and conventional cubicle heights available

Cable Management System

- Fully shielded raceways for electrical and data through segregated cable troughs.
- 110V Power outlets are standard
- RJ11 Telephone & RJ45 Data connectors are standard
- System designed to either be bridged together or individually wired

Durability & Superior Engineering

- Meets or exceeds all ANSI-BIFMA standards
- Impact resistance Kleerdex covering far out performs traditional high pressure laminates
- Finest quality substrates
- Revolutionary forming process eliminates unsightly molding
- Inset doors and drawers eliminate sharp corners
- Premium hardware

Unique Styling

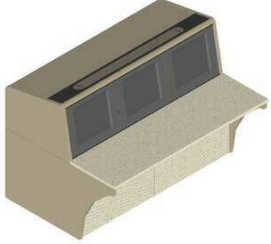

- State of the art appearance
- Crosstalk Hood creates spaciousness in crowded quarters
- Crosstalk Hood gives open office appeal while maintaining privacy in the workspace
- Above counter bins provides storage usually only found in cubicle systems

Computer and Office Accessories

- Articulating keyboard/mouse platforms
- Adjustable monitor trays
- Slat walls & articulating arms for flat panel monitors
- Phone mounts
- Organizers
- CPU & Printer Storage
- File pedestals – standard, lateral, mobile and doubles
- Matching freestanding components
- Hutches, bookcases & credenzas
